Vendor Information

Welcome to the Rocky Mountain Koi Show.

We are very excited to announce that this year our show is hosting the ZNA Western District Koi Show! There will also be multiple koi clubs participating in this year's show!

The Annual Koi Show will be presented Friday August 23rd—25th, 2024 at The Douglas County Fair Grounds, Castle Rock, Colorado. See page 3 for the schedule.

Inside this packet you will find all the necessary information required to participate in our show. All applications for show entry and banquet reservations are also included. All rules and regulations regarding the koi show are inside. We've booked a block of rooms for a discounted rate, hotel information is provided on page 4.

The Rocky Mountain Koi Show will provide dechlorinated water and will not do water testing for the wet vendor's tanks. If you desire water changes that will be your responsibility. As with all koi shows tank space, vendor space, banquet and hotel rooms at the Koi Show rates are limited. Please reserve soon.

Just a reminder—the Rocky Mountain Koi Show has been extremely successful for all the vendors who have participated. It's the only koi show in the entire Rocky Mountain area. Many wet vendors have had to re-supply by the second day!

We are looking forward to seeing all of you at the Rocky Mountain Koi Show in August.

VENDOR TANK SPONSORSHIP OPPORTUNITY

If you would like to have your company's logo, name, QR code, phone, etc. displayed on or next to a tank in the show area, for advertising, we offer this opportunity for sponsorship of a tank(s).

This shows your support for our koi show and promotes your business!

Sponsoring a tank(s) does not get you a tank in your vendor space and if you don't sponsor a tank, you can still purchase tank(s) for your vendor space and put up any signage you want in your space.

You do not need to sponsor a tank to have a place for your customers to enter your fish into a show. Those are designated vendor show tanks that are made available at the discretion of our show chair people.

If you want to take advantage of this advertising opportunity, the Rocky Mountain Koi Show will work with you to create a banner that will be displayed on, or next to, a show tank(s) that is used by an exhibitor who entered their fish in our show.

We offer two options for this opportunity to advertise your business at our shows, even if you're not present.

Option 1* - \$400 for 4 years (\$100/year)

Option 2* - \$900 for 10 years (\$90/year)

*If either your company or the Rocky Mountain Koi Club cease to exist during the sponsorship period, this agreement is null and void with no credits, financial or otherwise, due to any party. If for any reason a koi show is cancelled, the sponsorship period will pause and resume the year the next show takes place. Sponsorships are not transferable to another party.

The Rocky Mountain Koi Club is extremely grateful for all donations made by our generous vendors. **Would you be willing to donate items for our raffle during the Awards Banquet OR our silent auction?** If you can indicate so on the Registration Form, these items would be collected during the Friday setup. Thanks in advance for your generosity.

VENDOR BOOTH SPACE

This year we will have a dedicated vendor area with more room for educational seminars. Booth spaces are 10' wide by 10' deep.

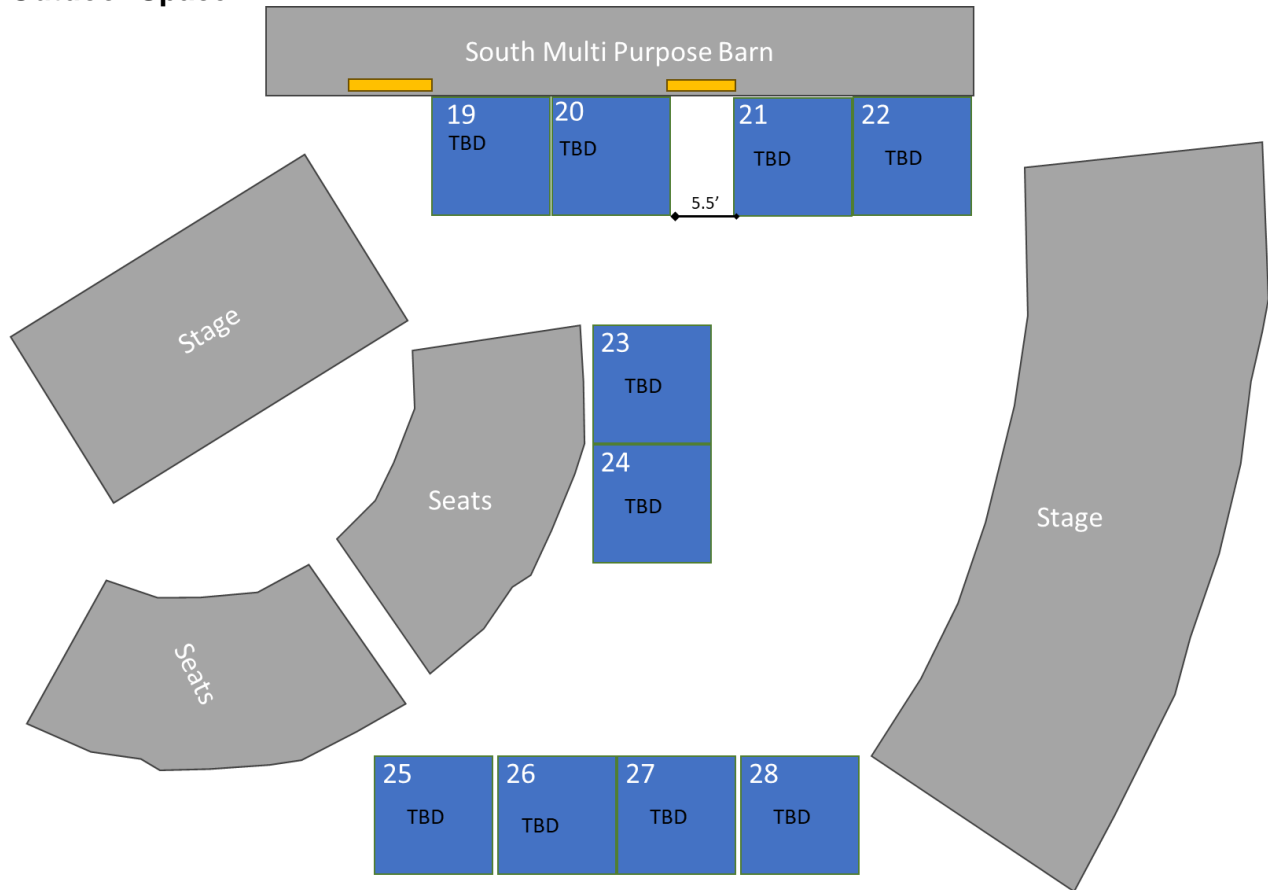

Use this floor plan to select the booth(s) you prefer (two booths maximum). Empty booths will be moved to the rear when selection process is completed, possibly moving you forward. We have a limited number of tanks available for vendors - please reserve unless you plan to bring your own tank.

Indoor Space – South Multi-Purpose Barn

Vendor Information

Outdoor Space

Please be aware and accountable:

- Each booth is furnished, upon request, with one table & two chairs.
- For select wet vendors, there is the possibility that the show will provide one show tank for you to place any purchases in that want to compete in the show. The water quality of that tank would be your responsibility and as such the show's rules around number of fish in the tank would not apply. If this is of interest please work with a Show Coordinator to work out details.
- Outdoor booths are not secured at night and the Rocky Mountain Koi Show can't be held responsible for the contents. We will have someone onsite who will walk around but their primary purpose is to ensure the well-being of the show fish.
- Booth & tank selections are FIRST COME FIRST SERVE! MAKE YOUR RESERVATION EARLY!
- Due to high demand, if we do not receive your paid confirmation, per the attached contract, you do NOT have a reserved space.
- If you have water in your booth, you must allow our show staff to dispose of it per the venue's guidelines, if you do not and our show receives a fine, **you will be fined**
- If you need to use a hose, you must use it where and how you are directed by one of our Show Coordinators. If you do not and our show receives a fine, **you will be fined**
